

HIGH DEF LASHES

SWEET TIPS

- Sweet Minerals High Def Lashes have a unique Green Tea fiber formulate that builds your natural lashes to illegal lengths!
- No need to pay for expensive lash extensions anymore!
- Our specially designed lengthening gel is formulated to meld and seal the enhancement fibers into long, thick, dramatic lashes.

DIRECTIONS

Step 1: *(To ensure ultimate results, start by applying one coat of Mascara.)* Apply a generous amount of Lengthening Gel from base to tip, ensuring every lash has been coated.

Step 2: While gel is still wet, apply a coat of Enhancement Fibers to your lashes and allow to set for 20 seconds.

Step 3: Finish with a second application of Lengthening Gel to seal the Fibers to your lashes. Repeat 2 & 3 for desired length and thickness.

Removal: To remove simply clean with Sweet Minerals Cleanse and warm water.
