

HERBAL LASH

SWEET TIPS

- A water-resistant mascara formulated to provide a gently non-flaking result.
- Lashes are thickened and lengthened without clumping or smudging while remaining soft and conditioned.

DIRECTIONS

Place mascara wand at the base of your eyelashes. Gently pull the wand to end of lashes. Wiggle the wand back and forth to separate and thicken the lashes.

Place the wand on the backside of lashes and brush upwards for a even coat.

Repeat for a more dramatic look.
