

LASH THICKENER

SWEET TIPS

- LASH THICKENER IS A CREAM CONDITIONER FORMULATED TO GIVE YOU BEAUTIFUL THICK LONG LASHES IN SECONDS.

DIRECTIONS

Apply one coat to clean lashes before applying your mascara.

For a more glamorous look, reapply a second coat of lash thickener over mascara before using a second coat of mascara.

BENEFITS

- Coats, builds and separates lashes
- Conditions lashes
- Helps to nourish lashes
- Features film-forming agents that help keep active ingredients onto the lashes
- Prevents mascara from caking
- Gentle for sensitive eyes
- Paraben free formula

KEY INGREDIENTS

Vitamin B - Avoids the thinning of eyelashes and even helps in the production of melanin. Melanin is responsible for the healthy dark color on your eyelashes making them look full, lush and voluminous

Vitamin E - Helps strengthen, thicken, and promote lash growth
