

CLARIFY Activated MASK Charcoal

TREATMENT MASK for oily and acne prone skin

SWEET TIPS

- Incredibly versatile, this powdered clay based masque allows your creativity to flow.
- Masks are pure skin magic, offering a synergistic, active delivery system that helps provide maximum ingredient impact.
- This mask is great for all skin types, especially troubled and stressed.

DIRECTIONS

This fabulous mask comes packed with its own set of nutrient-rich properties that are designed to work with the liquid chosen to activate the masque. *The mask can be used 2 parts powder to 1 part any liquid suitable for hydrating the mask.* A thinner masque can be made by adding more liquid, and a thicker masque can be created with less liquid. *Try hydrating your mask with yogurt, kefir, soy milk, goat milk, rice milk, any hydrosol or distillate water, most fruit or vegetable juices, vinegar, water with sea salt or any liquid that is beneficial to the skin.*

KEY INGREDIENTS

- **Italian Green Clay** - Detoxifying, clarifying, and exfoliating. Gently draws out impurities from the skin.
- **Activated Charcoal** - Draws bacteria, dirt and oil to the surface of the skin to help achieve a flawless complexion.
- **Organic Blue Green Algae Powder** - From Klamath Lake (South of Portland, Oregon), contains more than 20 antioxidants, 68 minerals and 70 trace elements, all amino acids (essential and non-essential) and important enzymes. The high nutrient density and the synergistic effect of these nutrients make blue green algae a powerful ingredient. This amazing tiny little plant is packed with these nutrients which help skin appear toned, lifted and hydrated.
- **Vitamin C** – A superstar for its proven antioxidant properties, dramatic brightening, and evening skin tone.
- **DMAE** – Tightens skin and helps reduce fine lines and wrinkles.

INGREDIENT ADD ON'S

Ingredient **Importance in face mask**
