

# MINERAL VEIL

## SWEET TIPS

- Sweet Minerals Veil acts like a light reflector for the skin.
- Gives an airbrushed, photo-finished look to the skin, minimizes fine lines and large pores, and has great oil-absorbing properties.
- If you feel a little shiny or need to freshen up your look, simple add a few strokes of Veil and you just reset your flawless look for the rest of the day!

### DIRECTIONS

Sprinkle a small amount of Sweet Minerals Veil into the lid. Using the MultiTasker Brush, dip into the lid to pick up Veil and lightly apply all over the face.
