

RENEW Anti-Aging

GLYCOLIC MASK

TREATMENT MASK *for mature skin*

SWEET TIPS

- Active facial mask for the refining and smoothing of skin tone, texture, and clarity.
- Provides immediate results, yet gentle enough for weekly use with no down time.
- Boosts collagen production, clears pores, tightens, and tones skin. Helps to reduce uneven pigmentation.
- May cause mild flaking as sloughing occurs from increased cell turnover. A 24-hour sensitivity patch test is recommended. Wear Sweet Minerals Flawless Foundation for sun protection.

DIRECTIONS

Apply generously to face and neck area creating a thick coating. **Mask does have glycolic so it may tingle on some, but this is normal.** Leave on for 5 - 15 minutes, depending on tolerability. Use a damp cloth or warm water to remove. (If needed, use cool compress and Refresh to reduce irritation.) **Follow with Refresh and Moisture Prep, or Glycolic Firming Face & Neck Lotion.**

KEY INGREDIENTS

- **10% Glycolic Acid** - is a natural compound found in Sugar Cane. It works by loosening and gently sloughing off dead skin which accelerates the skin's natural production of collagen.
- **2% Malic Acid** - is an organic compound found in fruits such as apples. It is an alpha hydroxy acid that treats everything from acne, psoriasis and dry skin.
- **2% Lactic Acid** - is an alpha hydroxy acid naturally found in milk. It is a natural Exfoliator which helps with acne breakouts, and the appearance of fine lines and wrinkles.
- **10% Hyaluronic Acid** - holds up to 1000 times its weight in water and drawing moisture out of the environment and onto the surface of your skin. 5% matrixyl 3000: A peptide that helps improve collagen and decrease the signs of aging. Improves elasticity and tone.
- **3% Plant Stem Cells** - with its anti-inflammatory and cytoprotective (cell protecting) properties, plant stem cells help prevent collagen breakdown.
- **3% tripeptides** - in the amino acid family, helps to improve skin condition, as well as give a smoother appearance. Contributes to cell renewal through regeneration of collagen.
- **1.5% Caffeine** - helps reduce puffiness and inflammation, and acts as an antioxidant.
