

PLAYING FOOTSIES FOOT BALM

SWEET TIPS

- Great for your overworked and tired feet.
- *MSM helps to further deliver all of the healing ingredients deeper into the skin.*
- Organic Sunflower and Jojoba Oils provide superior dry skin soothing, healing even the roughest, cracked heels.
- *Will work on all types of rashes, eczema, bumps, bruises, and even joint pain.*

KEY INGREDIENTS

Menthol - Cooling agent; flavor. Penetrating and cooling sensation. Derived from the peppermint plant.

MSM - This whole food is a beautifying mineral, and contributes to hair, skin, nail, and joint renewal and health. Bio-available, MSM must be continually replenished for optimal youth, nutrition and health.

Jojoba Oil - Emollient; moisturizer. Very high natural content of Vitamin E. Extremely nourishing to the skin. Has been credited with skin healing. Provides rapid absorption. Non comedogenic. Mimics skin's natural sebum for superior uptake and absorption.

Hyaluronic Acid - Topically applied hyaluronic acid forms an air permeable layer and penetrates into the dermis, thus boosting the elasticity and hydration of the skin. The protective breathable barrier on the skin locks in moisture which gives the skin a youthful appearance. Hyaluronic acid comes to the rescue with its unique ability to hold more than 1000 times its weight in water, which is a key factor in allowing the skin to retain more water.

Organic Aloe Vera - Botanical, moisturizing, skin protectant, humectant. Aloe vera's inner gel is made up of 99% water, making it a must for dry skin!
