

Sub Line: Did you get it? (So I can sleep)

Hey,

With all this anti-spam stuff and email priority inbox, most emails don't make it.

I'm a man of my word, so I just wanted to make sure you received what I promised.

If yes, please hit reply and let me know so I can sleep peacefully.

If not, here is the link to that video again:

BTW, any time you have any questions you can go to our support page at:

You should be able to find answers to your questions in the FAQ and if not just send an email to the email address on your page and our support staff will handle it quickly.

Talk soon,
Ian "will sleep soundly tonight" Owen

P.S. Remember to reply to this to let me know you received it.
