

**Subject line:** Do you hate me, Ian?

Hey it's Dean here...

And I want to ask your opinion on something...

But first, I need to ask you a question:

Do you hate me? ;-)

The reason I ask is because...

After pulling a bunch of strings...

And hooking you up with an opportunity to try out Jim McLean's ultimate golf instruction package for FREE...

For some reason...

You decided to pass up on the opportunity.

(Which is perfectly fine, by the way...)

But I'm curious:

Is it because of ME?

Was it something I said?

Something I DIDN'T say?

In other words, do you HATE me?

Or after checking out the program, was it simply not for you?

Would you do me a favor and give me your opinion?

Would you click the link below and tell me which of the 3 options you see best describes your situation, so I know:

<http://www.surveygizmo.com/s3/1437094/rg-pvt>

Thanks so much!

Dean :-)

P.S. When you take 10 seconds to tell me which option best describes you...

Starting tomorrow, I'll make sure to only email you stuff I think you're gonna be interested in...

Fair enough?

Good stuff!

Tomorrow - I've got something completely different in store for you (and it'll depend on which option youselect after clicking the link.)

I'll save the surprise for tomorrow :-)
