

Subject line: FAQs: Survey Funnel Formula <--- Your Questions Answered

Hey, it's Ryan "The Survey Funnel" Guy here...

And because I've been getting a few questions about my "Survey FunnelFormula" training program (which is available until **THIS Sunday, August 24th at 11:59PM PST** [Through This Special Link Only...](#))

I thought I'd take a moment to answer some of the more common things folks have been asking me about this program:

=====

**Q:** What's included in the 'Survey FunnelFormula' training program?

=====

This is a six-week training program in which I reveal my entire funnel system I use for my 7, 8, & 9 figure clients...

Walking you through every step of building my "Survey Funnel" style funnel...

It's designed in such a way that you can follow along with me in real-time if you'd like to copy me step-by-step and build your OWN high-converting sales funnel using my exact system...

The exact same system I've used to generate:

2.8 million leads...  
175,000 customers...  
Across 17 markets...

...All in just the past 23 months.

You'll use this same proven funnel 'formula' to take your business to the next level...

No matter what niche you're in...

**Q:** Are there any bonuses included?

=====

Yes!

Because I know many of the folks in this training will be doing their own copywriting...

And because I know just how much better these sales funnels convert when they're packed with KILLER copy...

When you sign up through the link in this email, I'm also going to get you FREE access to my Video Sales Letter course:

"VSL Fast-Track" (a \$497 value...)

Because this program is the "cliffs notes" version of a \$3,000 course - I pulled it off the market... and the ONLY way to get access is by joining my Survey FunnelFormula training...

**Q:** How much does it cost?

=====

It's funny... Because when I did the webinar the other day, people were making "predictions" on what the training would cost in the chat area...

Most people expected me to be charging anywhere from \$497 to \$997...

Which makes sense, because to bring me on to build one of these funnels costs anywhere from \$18k - \$50k + royalties depending on what's involved...

And in my private coaching practice (which has been booked up for nearly a year with a 6 month waitlist right now...) clients pay \$2000/month just to get on the phone with me for a few minutes each

week...

But because my goal is to get this training in as MANY people's hands as possible (because I know a small fraction of people will want to HIRE me to design and build out their funnel for them...)

What I've decided to do as a little experiment - is to give people access to my ENTIRE Survey Funnel Formula training program (the program I developed to train my own internal team), for **just \$197 bucks**.

But this price and opportunity to get in will ONLY be available for the next couple days.

Because enrollment for this training program ends on **Sunday, August 24th at 11:59pm PST...**

After that?

I haven't decided if I'm going to open up the training to the public or not (mainly because I want to see what kind of impact this has on my business...) In other words, this could very well be the ONLY opportunity to even SEE what's inside the training:

Here's where you can get instant access for this limited time low price:

Lastly, if you STILL have any unanswered questions...

Don't try to decide right now if the program is right for you...

Instead, here's what I recommend:

Because you can check out the first 4 weeks of the program before you need to decide if you want to keep it...

What I recommend is this:

Go ahead and claim your access now by clicking on the following link:

**[Click HERE to Get Access](#)**

That way you won't miss out on the opportunity to get in before I close off access in a few days...

Then, go through the first 4 weeks of the training.

Take lots of notes...

Download everything to your hard drive if you want...

If you like it?

Then keep it, and you can stick around for the rest of the program...

If not, no problem...

Just send me a one-line email to let him know, and you'll receive a fast and courteous refund.

It's really as simple as that...

But don't delay...

Remember...

Enrollment for this program ENDS on Sunday, August 24th at 11:59pm PST...

So go ahead get yourself access now before things close down, AND while you've got this email open and you're still thinking about it...
