

Association of Alberta Sexual Assault Services

The primary work of the Association of Alberta Sexual Assault Services is to provide leadership, coordination and collaboration of sexual assault services in Alberta. The AASAS member agencies and services are responsible for day to day front line delivery of services within their local communities and regional areas. As a provincial support organization, AASAS focuses its efforts in these key areas:

Awareness: AASAS works to increase public and government awareness of issues involving sexual abuse and sexual assault and the impacts they have on Albertans.
