Dear Ms. Jackson,

We are pleased to approve StateFoodSafety.com's online Food Handler Training and Assessment course. Through this partnership, we are able to provide a training course that adequately fulfills the training requirements for food handlers in San Bernardino County.

The approval shall continue in full force until the term of the existing contract or until terminated by either party, giving the other party written notice of at least thirty (30) days in advance of the effective date of termination.

If you have any questions, please contact Maria Meza at Maria.Meza@dph.sbcounty.gov or (909) 252-5266.

Thank you,
