

## FLOATGOAT Tech Rider

- Guitar Amp w/pedals (1/4" out)
- Bass Amp w/pedals (XLR out)
- Interface with stereo 1/4" DI TS or TRS out (Stereo DI box)
- Preferably 2 microphones so we each can talk (No singing)
- Both the guitar and bass have 1/4" and XLR (respectively) DI out options, or they can be mic'd per the live sound engineers preference
