5	<i>Cymbals - Cowbells - Chimes Bell</i>	<i>AKG C451E "Overhead"</i>

Equipment sharing: *Beau of Dual Art*

- I do not share equipment and I insist to use all my own equipment if possible. I will only share equipment in the extreme cases of equipment breakdowns. In such cases I will be glad to help other bands as well as receive help from them.

Sound check:

- I require at least 20 minutes for setting up all equipment and at least 30 minutes for sound check.

Pre-Show:

- I require about 15 minutes before I go in stage in order to dress up.
