

BLAZIN'-FIRE™

Absorption Activator

Use with Herbicides, where Ammonium Sulfate is recommended

PRINCIPLE FUNCTIONING AGENTS:

Phosphoric and carboxylic acids, sulphurated amides, and spray-deposition aids, blend of ammonium salts.....92.00%
CONSTITUENTS INEFFECTIVE AS
ADJUVANTS.....8.00%
TOTAL.....100.00%

WARNING
KEEP OUT OF REACH
OF CHILDREN

GENERAL INFORMATION

BLAZIN'-FIRE will enhance the herbicide activity of certain post-emergent herbicides when used at the proper rate. BLAZIN'-FIRE is a proprietary blend of phosphoric and carboxylic acids and ammonium salts. When used at the recommended rates, BLAZIN'-FIRE can enhance the efficiency of herbicide performance. The added herbicide performance produced by the use of BLAZIN'-FIRE may be more apparent in situations of environmental stress.

DIRECTIONS FOR USE

Use BLAZIN'-FIRE at the rate specified by the herbicide label. Follow all directions for rate, timing, procedures and crop restrictions. Check compatibility of proposed spray mixture in a jar test before large scale mixing. It is recommended that a small test area of crop be treated with the spray solution prior to large scale application to ensure crop safety in conditions of high humidity or high temperature.
Recommended Rates: 1-2 quarts of BLAZIN'-FIRE per 100 gallons water

MIXING INSTRUCTIONS

Add half the amount of water to the spray tank and begin agitation. Add the required amount of BLAZIN'-FIRE before adding the herbicide to the spray tank. Add the remaining water while continuing to agitate.

STORAGE AND DISPOSAL

Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.

NOTICE

Manufacturer warrants that BLAZIN'-FIRE conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if BLAZIN'-FIRE is used in any manner or under any condition other than those specifically set forth on the label.
