GENERAL INFORMATION

OnGuard is compatible with most foliar sprays, fertilizers, insecticides, and herbicides. Utilize a jar test if compatibility is questionable.

DIRECTIONS FOR USE

In Furrow16 ounces
Foliar Sprays12 ounces
Pivots1/2-4 gallons
Tree and Vine Crop rates should be increased up to 16-24 ounces.

TIMING AND FREQUENCY:

OnGuard can be applied alone or with other agricultural products. To ensure uniform coverage without running off leaf surfaces, apply 7 to 21 days during reproductive stage. First application should be prior to initial reproductive stage.

STORAGE AND DISPOSAL

Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.

NOTICE

Manufacturer warrants that OnGuard conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if OnGuard is used in any manner or under any condition other than those specifically set forth on the label.
