Physician Recommended Nutraceuticals Named to Inc. 5000 Fastest-Growing Private Companies List for Fourth Consecutive Year

Irvine, Calif., November 06, 2015 – ALPHA EON Corporation's subsidiary PRN Physician Recommended Nutraceuticals, LLC, a leading provider of nutritional supplements, has earned a position on the Inc. 5000 list for the fourth consecutive year.

Inc. 5000 recognizes the fastest growing companies in America based on percentage growth of revenue for participating companies.

Ken Krieg, PRN's CEO stated, "It is incredibly gratifying to be acknowledged by Inc. 5000 again this year. PRN has worked hard to provide scientifically-based products backed by sound clinical evidence, and this is a testament to our hard work, the quality of our people and our new relationship with ALPHA EON Corporation."

"This recognition demonstrates PRN's uncompromised professionalism and passion for bringing the best products and services to doctors and their patients," said ALPHA EON Wellness President, Bart Bandy. "It validates the ongoing commitment of PRN to its market and ALPHA EON's unique process of connecting new organizations to the company's resources."
