

The Edison CBD

CBD PRODUCTS PROVIDE TREMENDOUS MIND AND BODY BENEFITS. STUDIES SHOW CBD'S EFFECTIVENESS WITH INFLAMMATION, CHRONIC PAIN, SLEEP, AND STRESS.

OUR QUALITY

We partnered with local farms that use only pesticide-free and organic methods of farming. For extracting the CBD oil out of the plant, there are different processes. We only use Supercritical CO2 Extraction. Other methods can leave you with an impure product.

BE CALM TINCTURE

- 1500 mg full spectrum or isolate CBD; providing a safe, but clinical dose.
- Contains an additional formula with key herbal, essential oils, amino acids, and compounds that have been found to address inflammation, stress, and improve sleep.
- All in a base of extra virgin olive and coconut oil.
- No added chemical ingredients, colors, or synthetic CBD.

PAIN BALM

- 500 mg full spectrum CBD compared to 50-300 mg in other products.
- Full spectrum cannabinoid formula. Full spectrum CBD oil products have been found to have a superior advantage over CBD isolate as they contain many beneficial cannabinoids and terpenes, offering multiple health benefits.
- Contains an additional formula with key herbs, essential oils, and compounds.
- No added chemical ingredients, colors, or synthetic CBD.

THE EDISON SYSTEM
INTELLIGENT WELLNESS

THE DOCTOR OF THE FUTURE WILL GIVE NO MEDICINE, BUT WILL INTEREST HER OR HIS PATIENTS IN THE CARE OF THE HUMAN FRAME, IN A PROPER DIET, AND IN THE CAUSE OF PREVENTION OF DISEASE. — THOMAS EDISON
