*3 Bedroom*

*2 Bathroom*

*1,324 Square Feet*

*West Exposure*

*One-Level*

## Notes

## WASHBURN HOUSE

The only three-bedroom residence outside the penthouse level. The primary suite feels like a true retreat, with direct terrace access. Two additional bedrooms can be configured to suit your life—guest rooms, offices, or creative studios. The layout is intuitive, with entertaining areas that invite gathering and private spaces that preserve tranquility.
