## ARTé: MECENAS™

### INSTALLATION INSTRUCTIONS

#### *Support*

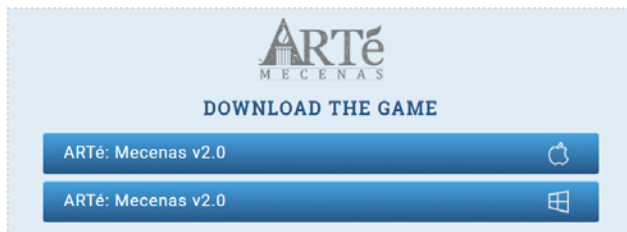

If you need any assistance or have questions about downloading or playing the game, please visit our support page at [triseum.echelp.org](http://triseum.echelp.org).

1. Click the link or copy [portal.triseum.com](http://portal.triseum.com) into your web browser and login with your credentials.

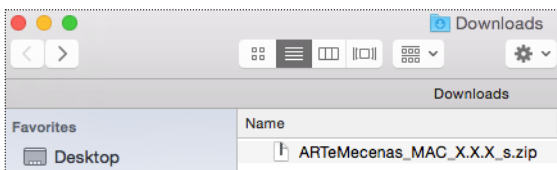

## GETTING STARTED

2. Download ARTé: Mecenás for either Mac or Windows depending on your computer's operating system.

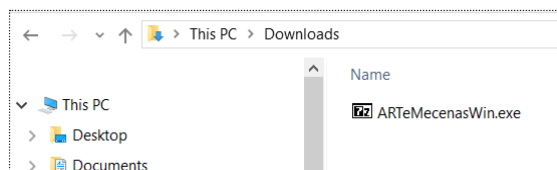

3. Once the download is complete, the file will be located in the "Downloads" folder.

**On a Mac use the Finder to locate the "Downloads" folder.\***

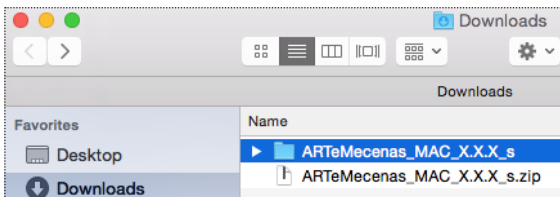

\*The game will automatically unzip after the download completes.

**In Windows open C:\Users\*(user name)*\Downloads.**

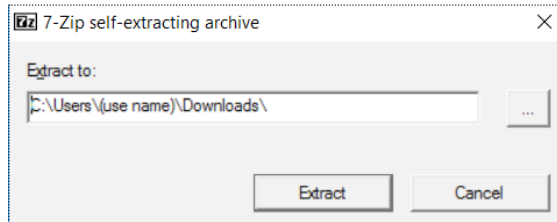

4. Expand the folder to access the game.

**On a Mac double-click on the newly created "ARTeMecenas\_MAC\_#.#.#\_s" folder.**

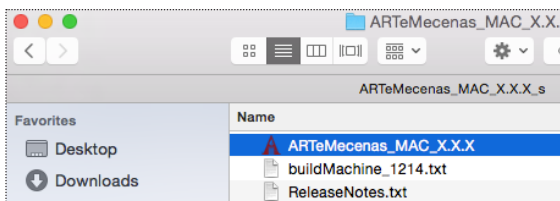

**In Windows double-click on the "ARTeMecenas\_WIN\_#.#.#.exe" file, then click the "Extract" button.\***

\*Once completed double-click on the newly created "Mecenas" folder.

5. Once the folder is opened, double-click the file labeled "ARTeMecenas" to run the game.

**Mac\***

\*If prompted with an application download message click "Open."

**Windows**
