Travel Plans? Check Out These Sites!

The graphic is titled "Winter Travel" and is divided into three horizontal sections, each representing a different mode of transport. The top section, "By AIR", features a white airplane flying against a dark blue night sky with stars and a light blue cloud. The middle section, "By SEA", shows a white and blue ferry boat on a blue body of water with a light blue sky. The bottom section, "By LAND", depicts a teal bus on a road with a brownish-orange sky and a snowy landscape on the right. Each section includes a URL: "aviationweather.gov" for air, "weather.gov/marine" for sea, and "weather.gov" for land. A NOAA logo is in the bottom right corner of the graphic.
