

Day 10

Transmission 23:23

Music: [Daniel Schotsborg - Earth Year](#)

This transmission is a recalibration of your pulse and heartbeat to align with the frequency of the Divine Heart. Moving through every single layer of your anatomy (all organs, glands, your nervous system, circulatory system, bones, skin, etc.), your body is infused with the frequency of Divine Love coming in from both the portal of your own heart and the higher realms of Light. With a pinball like action, the Light will move throughout your body and matrix stimulating the multidimensional meridian points throughout your fields. This will activate a new grid system within your matrix of Light.

This grid of Light connects into the Divine Feminine grid of Light surrounding the planet through the meridian points. This connection will grow in strength as you continue to embody the frequencies of Divine Compassion, the merged frequencies of the Divine Masculine and Divine Feminine as the new expression of Self Love, and shift into a state of Being in Divine Flow at all times.

The connection to your Higher Self will amplify as you shift into operating and living predominantly from the heart chakra. As the heart expands and connects with the universal mind, cosmic knowledge and your Higher Self, the lower personality or ego self will naturally succumb, enabling the expression of your Authentic self to manifest with more ease and grace.

The pathways of Light that are being grown from within your own system will enable the shift from the mind/ego based operating system to one more clearly aligned with your personal and Divine will. This is a more natural and efficient way of expressing your truth. Breathe, connect in and feel the pulse of the Divine moving through your veins.

Again, the music ends rather abruptly. Stay in the space of the Divine heart and allow the Light to pulse you into a deep sense of peace and joy.

Stay In Your Heart and Know You Are Light!

Blessings!
