

The
Universal Laws
that Govern
Business Success

Ancient Wisdom Leadership Skills ✦ *Wisdom Leadership Academy*

Signature Presentations:

◆
“A Mindfulness Mistake Business Leaders Make That Leads to Overwhelm, Stress and Being Overworked.”
◆

“The Ancient Wisdom Every Business Leader Needs To Use For Masterful Leadership.”

Using his high-powered, humorous and heart-centered approach, John English has been helping people live empowered lives on purpose for 15 years. John is an award-winning author, coach and successful entrepreneur who has founded 4 companies since 1990.

John has spoken and taught internationally on topics including leadership, business, alternative healing, the ancient wisdom of shamanism, and the Toltec teachings.

Having founded businesses in manufacturing, education, publishing and coaching John has a unique combination of business experience and an ability to relate with the challenges people face in a variety of work environments.

John is known for using how his audience relates to their world in his stories to develop rapport, and then provide insight while inspiring participants to reach for their greatness.
