

You will find a complete list of the problems and what is needed on my website at www.ScottPyle.com. Among the most important are:

- Term Limits for State Senators and Representatives
- Dramatic improvements in education with a renewed focus on developing skills & better jobs
- A significant reduction in crime and addressing the influx of heroin and other deadly drugs
- Finance roads/infrastructure with consumption fees requiring an equal reduction in income taxes
- Immediate reform of archaic and tyrannical State Senate rules
- Independent oversight, radical reform and strict enforcement of rules of ethics and behavior
- Equitable return of our fair share of government revenues from Columbia

There are more ... many more ... and I am determined to begin effecting change from my first day in office with no more than two terms.

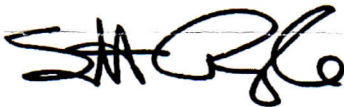

My opponent maintains his power by maintaining his money. He has built a war chest so large no one has challenged him in many years. Bottom line? The campaign simply cannot succeed without your help. This is another reason I believe in term limits to significantly reduce the influence of special interest monies in the election process. The incumbent I am running against has a war chest of over \$270,000 to fight for a seat that he has had for nearly twenty-four years.

Your immediate contribution will give our campaign a tremendous boost right out of the gate. Our short term goal is to raise \$50-\$100,000 by no later than April 1, 2016 and \$150,000 by mid-April. Yes, I'm asking a lot of you – but our children and grandchildren are asking even more of us. Ultimately, I will raise about \$350,000.

We've enclosed a formal contribution card and a self-addressed envelope. There is a limit of \$1,000/ individual or entity. Should you have any questions, please don't hesitate to call me personally. I hope you will use these tools to return your personal check to help us restore fairness and common sense to our State Senate. You can also contribute online at www.ScottPyle.com if you prefer to use a credit card.

Thank you in advance for your encouragement, generous support and prayers. Together, we can put common sense business into government and kick the career politicians out!

Sincerely,
