

# THE ULTIMATE LIST OF BLOG POST IDEAS

## BE USEFUL

These useful blog post ideas will endear you to your market and establish you and your business as the authority in your niche.

### LIST POST

List posts are everywhere and for good reason... they flat out work.

Create a list of books, tools, resources or any other thing that your market will find useful.

### HOW-TO-POST

The How-To Post is another staple blog post idea.

Describe a process and use images, video or audio to enrich the post and make it as easy as possible for your visitor to take action.

### CASE-STUDY POST

The term 'case study' carries more perceived value than the term article, blog post or video.

Outline and unpack the details of something like a project, event or process.

### PROBLEM/SOLUTION POST

This type of post has an easy format:

-Define a problem  
-Present the solution

This post can cross over into the territory of other blog post types such as the FAQ Post, How-To Post or Checklist Post.

### SAQ POST

The Should Ask Question Post is a variation of the FAQ post. This is a question that customers or prospects don't ask - but they should.

### CHECKLIST POST

If the content you are delivering can be broken into a "checklist" it will often perform better.

People like the checklist format because it's easy to digest and take action when the content is itemized in this way.

### ULTIMATE GUIDE POST

The ultimate guide post is just what it sounds like - a detailed, comprehensive post on a topic in your niche.

Don't skip here - take your time and deliver the definitive post on the topic.

### DEFINITION POST

In niches where the market needs to be educated the definition post is an absolute must.

Consider creating a series of posts that define aspects of your niche.

### SERIES POST

Look for opportunities to break a topic into a series that can be released each day over the course of a week or every Monday over the course of a month.

Link these articles together as you publish them.

### STATS POST

This post (like the Research Post) works best when you can use statistics that you have produced.

That said, consider curating and pulling together stats from multiple locations to create a good statistics post.

## BE HUMAN

### INSPIRATIONAL POST

Some of the most effective content on the web is neither informational or entertaining - it simply inspires.

This kind of post can work well as a Story Post, Profile Post or Quote Post among others.

### HOLIDAY POST

Some blogs go dormant on popular holidays while others use the opportunity to deliver well-wishes to their audience and display their humanity.

### GUARD DOWN POST

Some of the best content on the web is created by a content creator that lets their guard down by delivering a deeply personal experience that the audience can relate to.

### BEHIND THE SCENES POST

If you have a loyal following they will want to see what goes on behind the scenes of the content that you can create.

### OFF-TOPIC POST

This can be risky, but if you have a loyal following that has become accustomed to you covering a specific set of topics - this kind of post can shock them and receive a great response.

Test it.

### RANT POST

The rant post shows your human side by revealing your passion and anger about a topic that is relevant to your audience.

It's not for everyone but the right blog and the right audience will respond well to a rant.

## BE GENEROUS

One of the easiest ways to grow your blog is to be generous by promoting other people. When you promote others they will promote you.

### PROFILE POST

If the content you are delivering can be broken into a "checklist" it will often perform better.

People like the checklist format because it's easy to digest and take action when the content is itemized in this way.

### CROWDSOURCED POST

Bring multiple influencers together to answer a specific question in short form.

When you get 10 influencers to give you 100 words each on a single topic you've got a powerful blog post.

### INTERVIEW POST

It's surprising how willing even the most influential people are to give you an interview - even if you have a small audience on your blog.

Remember that the easiest way for an influencer to give you an interview is through audio - all they have to do is call you and start talking.

### LINK ROUNDUP POST

This type of post can work well as a series that publishes once a month or once a week.

Curate, link to and provide a description of multiple pieces of content that your audience will find valuable.

### QUOTE POST

People love quotes from influential people. Pull together quotes from multiple influencers across a specific topic to create a "Quote Post".

Again, if applicable - be sure to notify those that you quote that you have included them in your post.

### BEST OF THE WEB POST

The Best of the Web Post often includes content, tools and other resources that you have curated, linked to and described.

### PICK OF THE WEEK POST

This is a popular type of series post and is usually a relatively short blog post that describes a single piece of content, tool or other resource that you have curated, linked to and described.

### PEOPLE TO FOLLOW POST

Curate a list of influential people, describe them and provide links for your audience to connect with them through their website, social media channels, events, books, etc.

## BE PROMOTIONAL

Some organizations use their blogs in a promotional way. This can work very well for the right company.

### COMPARISON POST

Create a post that compares the features and benefits of your product to competitive solutions.

For best results and to build trust, include cases where your product IS NOT the best solution.

### PROJECT SHOWCASE POST

Use your blog to outline a specific project you or your organization is working on currently or has completed.

Show the process and share results if possible.

### INCOME REPORT POST

Open the books and show your audience a breakdown of the money you and your organization are making.

### COMPANY UPDATE POST

Use your blog to let your customers and prospects know of new employee hires, acquisitions or major contracts.

### PRESENTATION POST

Publish presentations given by employees that contain interesting and valuable content for your audience.

### BEST OF POST

Create a blog post that pulls together the most popular blog posts you have published over a period of time.

### PRODUCT UPDATE POST

If you have rabid fans of your products and services you might be surprised at how well a post on new product/new feature announcements will do on your blog.

### PRODUCT TIPS POST

This post type is both promotional and useful and is very powerful for the right blog and audience.

Create content that helps your customers be more successful with your product or service.

## BE CONTROVERSIAL

You can get a lot of action on controversial posts - just make sure it fits with your brand.

### WHAT IF POST

This type of blog post speculates on what would happen if...

The success of this type of post rests on your ability to choose a "what if" that is interesting and debatable.

### DEBATE POST

Use your blog to present one side of a debatable argument...

Or find someone that disagrees with you and present both sides in the same post.

### ATTACK POST

Be careful with this one but picking a fight with the right person/organization/event, etc will force your audience to choose sides and draw lots of attention.

This type of post, when done right, will create enemies of some and die hard fans of others.

### PREDICTION POST

If you take a debatable and speculative approach, a prediction post can get a great response.

### REACTION POST

Use your blog to react to content created by someone else.

For example, the content might be a blog post, book or presentation.

## BE ENTERTAINING

Creating entertaining content can be difficult but, if you can make it work, it can be a very effective type of blog post.

### STORY POST

Create content that tells a story that would be entertaining to your market.

Some blogs only produce this type of content and others create a series around this type of blog post.

### SATIRE POST

Be humorous through the use of irony or extreme exaggeration.

This kind of post works well where there are timely issues such as politics or sports.

### CARTOON POST

This type of post works well as a series.

Create weekly or monthly cartoon posts that make your audience laugh and think about issues and events in your niche.

### MEME POST

Meme's are pieces of content that spread virally across the web.

Create your own meme's or pull together a curated set of meme's from across the web.

### PARODY POST

Create a post that imitates a well-known person or media property in your niche. Be sure to exaggerate their strengths and shortcomings in your content.

### QUESTION POST

Some of the most effective content on the web is neither informational or entertaining - it simply inspires.

This kind of post can work well as a Story Post, Profile Post or Quote Post among others.

### ANSWER POST

Some blogs go dormant on popular holidays while others use the opportunity to deliver well-wishes to their audience and display their humanity.

You don't need to "break" the story but, for best results, be sure to add a perspective that your audience will find valuable or entertaining.

### CHALLENGE POST

Some of the best content on the web is created by a content creator that lets their guard down by delivering a deeply personal experience that the audience can relate to.

### FREEBIE POST

This can be risky, but if you have a loyal following that has become accustomed to you covering a specific set of topics - this kind of post can shock them and receive a great response.

Test it.

### CUSTOMER SHOWCASE POST

If you have a loyal following they will want to see what goes on behind the scenes of the content that you can create.

### CONTEST POST

The rant post shows your human side by revealing your passion and anger about a topic that is relevant to your audience.

It's not for everyone but the right blog and the right audience will respond well to a rant.

### REVIEW POST

Review a product, event or anything else you have access to while it is newsworthy.

For best results, be as honest as possible in your review rather than painting everything you review in a positive light.

### SURVEY POST

Choose a newsworthy/trending topic and survey your audience about it using email, social media or in-person events.

Together, pull the results together into a blog post.

### NEWS POST

Look to create content on your blog about events as they are happening.

You don't need to "break" the story but, for best results, be sure to add a perspective that your audience will find valuable or entertaining.

### TREND POST

Some content creators are able to predict trends as they are happening.

If you're a trendspotter, create content on your blog that rides that trend as it becomes popular.

### ISSUE POST

Choose issues that affect your audience and create content about them while they are timely and relevant to your niche.

### QUESTION POST

Some of the most effective content on the web is neither informational or entertaining - it simply inspires.

This kind of post can work well as a Story Post, Profile Post or Quote Post among others.
