It will allow you to see how your choices in past lives have created relationship problems in this lifetime. We will get to the core of your present life relationship problems, and clear the noise of that particular relationships in your past lifetimes that is currently affecting this lifetime.

## Level 2 Clearing

This is an expansion of level 1, accessing Akashic Records and clearing specific 4D blocks, which are the mental and emotional aspects of your mindset in karmic, present, and past lifetimes. Removal of these blocks will allow you to have a solid success and spiritual mindset to expand in your gifts. All these 4D blocks have kept you distracted, insecure, and having irrational fears that you know are deeply karmic. No matter what you do, even though you do mindset journalling work, you still can't seem to move past visibility blocks. This Level 2 clearing will clear all of that so you can finally focus on your purpose instead of debilitating mindset blocks.

## Level 3 Clearing

This is an expansion of level 2, accessing Akashic Records and clearing specific 3D blocks, which are DNA karmic blocks from family lines, code corruptions, ancestral vows, archetypal blocks, negative unconscious patterns, and any parallel lifetimes that are misaligned. This clearing will clear all of those so you can feel your family karmic patterns that are stuck in your DNA /physical body which is calling sickness, fatigue, and any symptoms that seem to be karmic patterns from your family.

An energetic transfer will be done so you can stay in an abundance and wealth frequency that is your own pattern. Once archetypal blocks are also cleared, you will shift into your right parallel reality that is conducive to your own future dream goals.
