Featured Guests

Key Note Speaker: Sherri Sechrist writes biblical fiction to remind women that 2000 years ago, our sisters in Christ agonized about families, friends, fear, and faith...the same stuff that makes us nuts today! Sechrist is an accomplished business and conference speaker, worship leader, church elder, Bible teacher, and aspiring servant of Christ, confident in this promise: "God's not finished with me yet!" Philippians 1:6

Israel Islas López leads the ministry in Mexico for Bible League International, sharing the Gospel, training leaders, and helping equip under-resourced churches with God's Word. Israel will be accompanied by Rafael Serrano, leader of Latin America ministry and editor of the easy-to-read translation of the Bible in Spanish for Bible League International.

Worship Leader: Glenda Van Woerkom finds joy in her family and the musical opportunities in her church... choir, praise teams, soloist, special groups, and the list goes on. We feel privileged to have her with us!

Larry Eggink's musical recordings have an inspirational message and we are delighted he will perform during the afternoon session. Larry is married, has two children and four grandchildren, and is currently a teacher and administrator at Pella Christian High.
