NAMI Provider is a four-hours seminar that introduces mental health professionals to the unique perspectives of people with mental health conditions and their families.

NAMI Provider is designed to expand the participants' compassion for the individuals and their families and to promote a collaborative model of care.

This unique program is led by people living well in recovery, family members and health care providers. The presenters share their personal, intimate perspective on their treatment experience.

Please note:

- One (1) overnight stay (Saturday) with all meals included.
- Graduates are expected to be part of a panel at least twice in a year.

***Space is limited to 16 people. You are required to have an in-person interview before being accepted into the training.
