TAX CREDIT CONTRIBUTIONS FUEL COMMUNITY PROGRAMS, SAVE TAXPAYERS MONEY

They're increasingly becoming the fuel behind nonprofit and educational organizations — and one of the best ways to save money on your personal income taxes. Arizona's charity and education tax credits have become one of the most important fundraising tools available for non-profits and schools statewide. They also provide taxpayers with an opportunity for a dollar-for-dollar credit on state income taxes — as well as, in many cases, a deduction on federal taxes.

Deadline is April 17, 2018, Tax Day, to make these contributions and submit your forms to get your Tax Credit when you file. Always consult with your tax advisor if you have any questions.

The State of Arizona requires each organization to meet certain criteria in order to be eligible for the tax credit program. You can learn more about the tax credit program and eligible charities at www.azdor.gov/TaxCredits.aspx.
