

Beginning & Intermediate Pottery Classes at Riverside!

In this pottery class you will be challenged to:

- 1) Put your hands on some cold, wet clay!
- 2) Pound it, pat it, roll it, slice it and smooth it!
- 3) Mold it into a creative, unique sculpture or useable form (maybe a cup or plate)
- 4.) Decorate it and add glaze (color)!

The possibilities are endless! Come and check out what you can do with a few simple hand-building techniques. Learn how to make coil pots, pinch pots, and roll out slabs to create virtually any form you can dream up. Sure to be a fun experience and stir creative juices. Bring a snack, and dress to get dirty.
