

Power Hour

An Invitation to Participate

We will be offering a program called Power Hour four days a week, Monday through Thursday, designed to provide students with a consistent routine and to assist them in developing good homework habits. (There is also a 2-day or 3-day option offered.) Space is limited so that the faculty member in charge of Power Hour can provide students with individualized attention. These openings will be filled on a first-come, first-served basis. The next session begins Monday, April 23, 2018 and ends Wednesday, May 16, 2018. If you are interested in receiving a registration packet, please detach the slip below and return it to the school.

Please send a registration packet home with my student. I understand that spots are limited and will be filled on a first-come, first served basis.
