

Let's **PULL**
Together and
Help Pick Up the
TAB!

RONALD McDONALD
HOUSE CHARITIES

Please donate your Tabs! Recycled beverage and soup can tabs help support the Ronald McDonald House program, a “home-away-from-home” for the families of seriously and chronically ill children being treated at nearby hospitals.

Our family is on the waiting list to stay at the Ronald McDonald House Cincinnati while we are there for medical tests and doctors’ appointments for Joe (March 5-9). Joe is in Mrs. Hague’s class and is in his 3rd year at Riverside. Even if we don’t get a room, we will still deliver the tabs.

We will be collecting tabs from now until March 2, 2018. There will be a container at school for your student to drop them off. Ronald McDonald House Charities help so many. **Please consider donating your pull tabs.**

Thank you in advance.

The Seibert Family
