

Riverside SCHOOL

Stronger roots. Brighter futures.

February 14, 2019

Dear Parents and Guardians,

As a part of the 2018-2019 Riverside School music experience, students in Mrs. Mayer's, Miss Myers', Mrs. Waldenmaier's and Mrs. Shoop's classes will attend a Richmond Symphony Elizabeth G. Schneider Discovery Concert, "The Story of Babar, the Little Elephant," on Friday, March 1 at 9:45 a.m.

The concert serves as an introduction to the orchestra and families of instruments. Michael Boudewyns from Really Inventive Stuff will share *The Story of Babar, The Little Elephant*, set to the music of Francis Poulenc, 20th century French composer and pianist.

- There is no additional charge for this event.
- This full-orchestra performance will take place at Richmond CenterStage.
- Travel to the concert this year will again be by chartered bus.
- With teaching social appropriateness, we ask that students dress for the concert in their personal best. ***We request no jeans or shorts, and collared shirts are preferred.***
- Please read and sign the accompanying "Parental/Guardian Consent and Release Form for Field Trips," and return to the school by Thursday, February 21.

This is a wonderful opportunity for furthering our students' music education and appreciation.

Sincerely,

Christine Bachmann
