

Section: School Personnel
Policy #: 2525
Policy: **BC Ministry of Education External Evaluation Committee**

Date Approved: November 20, 2014
Revision Dates:

PURPOSE:

CISND believes that serving on BC Ministry of Education External Evaluation Committees is an excellent opportunity for our school leaders to gain insight and knowledge of Ministry expectation for our schools, thus ensuring positive evaluations and securing government funding.

POLICY:

The Vicar of Education will approve the Superintendent's time to serve on BC Ministry of Education External Evaluation Committees (EEC). The Superintendent will approve the principals. A principal will not serve on an EEC in the first two years of employment or if the third year is his/hers school's year to be evaluated by the Ministry of Education. School leaders will only serve on an EEC to a maximum of one week per school year.

The Chancery Office will reimburse all employees the full honorarium provided by the BC Ministry of Education less any taxable expenses incurred by CISND (e.g sub costs). The expenses incurred by CISND will be cost shared amongst the individuals who served on an EEC within that school year.
