TOTAL _____

ⁱ The athletics fee helps off-set the cost of: gas for field trips, guest instructors (dance and martial arts), athletic consumables (tape, ice packs, etc.), and equipment wear and tear.

ⁱⁱ Graduation fees are broken up over two years. The fees collected in grade 11 will be applied to the graduand's graduating year. This fee includes Dry Grad and retreat fees.

ⁱⁱⁱ Because of the major costs of producing yearbooks we need to gauge the interest in the 2017-18 editions. The yearbook must be paid in full at the time student fees are collected to ensure that there is sufficient interest to allow the yearbook committees to go ahead. Students wishing to purchase yearbooks later on in the year will be subject to the full cost, \$55.00.

^{iv} This PE wear does not have to be purchased. However, if a student wishes to wear a hooded sweatshirt during PE, **only** Immaculata hoodies will be allowed.
