[Jul 31, 9:37 AM] Karla: Handouts does not work for me either.....

[Jul 31, 9:37 AM] Gina McAllister: The handouts ask for your email and it sends it to you

[Jul 31, 9:37 AM] Deb Wadden: Handouts have an error message Christina, let me know if you want to to send you the error message

[Jul 31, 9:37 AM] Guest5806: When I tried to go to the site with the handouts, I get a message from Norton advising me NOT to continue to this site as it could be harmful to my computer.

[Jul 31, 9:39 AM] Stacey Anne: Thanks

[Jul 31, 9:39 AM] Guest4949: This is excellent

[Jul 31, 9:39 AM] Connie B: i had to reload and it went back to the beginning

[Jul 31, 9:40 AM] MrsKeene25: The same thing happened to me, when it reset, it started over.

[Jul 31, 9:40 AM] Guest5806: Connie B. I had the same thing happen to me.

[Jul 31, 9:40 AM] Guest4949: everything changes

[Jul 31, 9:40 AM] Guest4949: just like new programs change

[Jul 31, 9:40 AM] Guest4949: then, you must relearn everything

[Jul 31, 9:40 AM] Guest4949: its so overwhelming

[Jul 31, 9:40 AM] Guest4949: you need to create a growth mindset

[Jul 31, 9:41 AM] Guest4949: wow

[Jul 31, 9:41 AM] Guest3733: Is there anyway to fast forward? It just reseted on me.

[Jul 31, 9:41 AM] Guest4949: i do not think so

[Jul 31, 9:41 AM] Myra C: I don't mind them being recordings, but I had hoped we might get to ask questions of the presenters. That was a bit disappointing.

[Jul 31, 9:42 AM] Guest3733: I think some of the presenters will be live

[Jul 31, 9:42 AM] Guest1916: I hope some of the presenters will be live

[Jul 31, 9:42 AM] Guest4949: This is probably the intro

[Jul 31, 9:42 AM] MFAnnie: Some of the presenters (like me, later today!) will be able to be available when our session is playing. Hopefully I won't reload the page and get behind!

[Jul 31, 9:42 AM] martinsean: It worked. I had a 503 error at first

[Jul 31, 9:42 AM] Karla: it says this is a keynote speaker, maybe the other sessions will be live....

[Jul 31, 9:43 AM] Tina: me too, but a podcast is cool too

[Jul 31, 9:43 AM] Guest4949: I would imagine we would be able to see the presenter

[Jul 31, 9:44 AM] Renee Bailey: Good Morning

[Jul 31, 9:44 AM] Tina: Good morning Renee

[Jul 31, 9:44 AM] Guest3733: It would be really nice if there was a fast forward button so if we have to refresh we can get caught back up.

[Jul 31, 9:44 AM] DarleneRombola: Good morning

[Jul 31, 9:44 AM] Tricia Hallman: Good Morning from CA!

[Jul 31, 9:44 AM] Guest8852: Also unable to access handouts and notes

[Jul 31, 9:45 AM] Renee Bailey: I've had that happen a lot of times where I've had 8 to 10 kids added to my classroom

[Jul 31, 9:45 AM] Guest8257: I tried to download the handouts, and it started the video all over.

[Jul 31, 9:45 AM] Guest8146: Can't access handouts either.
[Jul 31, 9:45 AM] buildmathminds: Here is the direct link to the handout: https://s3-us-west-2.amazonaws.com/bmmcommunity/VMS17-downloads/Watson_VMS.pdf
[Jul 31, 9:45 AM] Guest4499: I couldn't get into the handouts in my emails.
[Jul 31, 9:45 AM] Tracy Roeser Casey: I love setting time because I will sit for hours looking for the perfect things to use to teach my students!
[Jul 31, 9:45 AM] Connie B: my handouts say denied too
[Jul 31, 9:46 AM] Tina: thanks for the link :)
[Jul 31, 9:46 AM] rdavie: thanks, the direct link shared above works!
[Jul 31, 9:46 AM] Guest8852: Direct link worked!
[Jul 31, 9:46 AM] EshaNicole: I can't get the handouts as well :(
[Jul 31, 9:46 AM] Guest1916: Norton warns that this site is known as dangerous
[Jul 31, 9:46 AM] Guest5806: I am still getting a message from Norton, even with the direct link. Any suggestions?
[Jul 31, 9:46 AM] EshaNicole: Got it now!
[Jul 31, 9:46 AM] Becky: Thank you for the direct link. It worked for me.
[Jul 31, 9:47 AM] kkerian: Where did others get the handouts? Are there any?
[Jul 31, 9:47 AM] HSherman: I have tried several times to get the handouts from the link. It isn't working for me.
[Jul 31, 9:47 AM] Sharon Drapela: Keeps starting over - any way to fast forward?
[Jul 31, 9:47 AM] DarleneRombola: I used my right arrow to speed ahead.
[Jul 31, 9:47 AM] Guest4949: I always do research
[Jul 31, 9:47 AM] Guest4949: its addicting
[Jul 31, 9:48 AM] Guest4949: its hard to stop
[Jul 31, 9:48 AM] Guest4949: yes, teachers do get drained easily due to constant change
[Jul 31, 9:48 AM] Guest3733: THanks
[Jul 31, 9:49 AM] Guest7680: I was wondering how to pause it.
[Jul 31, 9:49 AM] Guest4949: this is a great program
[Jul 31, 9:49 AM] Guest4949: do not think it does
[Jul 31, 9:50 AM] Renee Bailey: That is so true if they are interested and find meaning they are not going to do as well
[Jul 31, 9:50 AM] Myra C: The direct link worked. Thank you.
[Jul 31, 9:51 AM] Karen Schweitzer: My video has a pause button in the center.
[Jul 31, 9:51 AM] Guest4949: wow
[Jul 31, 9:51 AM] Guest1332: I can hear audio, but I can't see any video.
[Jul 31, 9:51 AM] Guest4949: no
[Jul 31, 9:51 AM] Myra C: Start with small steps. I find that works so much better than trying to do it all at once.
[Jul 31, 9:51 AM] Guest9041: looks like it is working
[Jul 31, 9:51 AM] Guest4949: but it good for engagement
[Jul 31, 9:51 AM] Guest4949: true they are premade, but its better to make your own
[Jul 31, 9:52 AM] Guest4949: i disagree
[Jul 31, 9:52 AM] Guest4949: the students appreciate it more
[Jul 31, 9:52 AM] Guest7406: unable to login with email
[Jul 31, 9:52 AM] Guest4949: This is part of preparing for the 21st century
[Jul 31, 9:52 AM] Guest4949: webquests are obsolete
[Jul 31, 9:52 AM] Renee Bailey: kids love kahoot
[Jul 31, 9:52 AM] DinaOBrien: can someone help--i was just listening to Angela and now I'm back at the beginning
[Jul 31, 9:52 AM] Guest3733: kahoot is so fun
[Jul 31, 9:52 AM] HSherman: I am spending my own money and lots of time trying to find an interventions curriculum for my students.
[Jul 31, 9:52 AM] Guest3733: use the forward arrow
[Jul 31, 9:52 AM] Guest4949: yes, but you have to learn to make your own videos before the students can
[Jul 31, 9:53 AM] HSherman: Dina, someone said to use the arrow button
[Jul 31, 9:53 AM] Guest4949: I do not think this energy should be eliminated
[Jul 31, 9:53 AM] Guest1916: Is Kahoot free?
[Jul 31, 9:53 AM] Guest4949: its is rewarding for students to become creators
[Jul 31, 9:53 AM] Guest4949: yes
[Jul 31, 9:53 AM] Guest3733: Kahoot is free
[Jul 31, 9:53 AM] Renee Bailey: yes kahoot is free
[Jul 31, 9:53 AM] Guest4949: this is part of the iste standards
[Jul 31, 9:53 AM] Guest4949: no, I do not think every assignment should be graded
[Jul 31, 9:53 AM] Guest4949: true
[Jul 31, 9:53 AM] Guest4949: but how
[Jul 31, 9:54 AM] Guest4949: yes
[Jul 31, 9:54 AM] Renee Bailey: I agree not every lesson should be graded
[Jul 31, 9:54 AM] Guest4949: we work harder than students
[Jul 31, 9:54 AM] Guest1916: Looking for growth is more important than daily grading
[Jul 31, 9:54 AM] Guest4949: yes, we do steal the struggle

[Jul 31, 9:54 AM] mathMe: I can't get anywhere
[Jul 31, 9:54 AM] Guest4949: ues
[Jul 31, 9:54 AM] Renee Bailey: I agree Gues 1916
[Jul 31, 9:54 AM] Vandy Reppert: I had to laugh, when you talked about the cool graphics and fonts. I have an obsession with these items, but create templates so I can have cuteness and not waste precious time.
[Jul 31, 9:55 AM] geonz: Wish I could fast forward to be same time as y'all! SOmebody said "right arrow" but ... ???
[Jul 31, 9:55 AM] Guest4949: I like that phrase, students as pioneers
[Jul 31, 9:55 AM] MrsKeene25: Put the video full screen then use your right arrow
[Jul 31, 9:55 AM] Guest4949: yeah right
[Jul 31, 9:55 AM] Guest4949: lots of time
[Jul 31, 9:55 AM] Guest1916: Great thought: We are stealing the struggle from the students. Goes with growth mindset
[Jul 31, 9:55 AM] Carol Zelaya: I am listening on Facebook because the link from my email is not working.
[Jul 31, 9:55 AM] mathMe: help with the system not letting in the summit
[Jul 31, 9:56 AM] mathMe: I am not on FB
[Jul 31, 9:56 AM] Guest4949: yes, we are stealing the struggle goes with growth mindset
[Jul 31, 9:56 AM] Guest4949: i just took a course on growth mindset
[Jul 31, 9:56 AM] Guest7406: too much change is right!
[Jul 31, 9:57 AM] Renee Bailey: So true kids love to be part of what they want to do they take ownership in their work
[Jul 31, 9:57 AM] geonz: GOt it tho' I went too far. Thanks for the tip :)
[Jul 31, 9:57 AM] Vandy Reppert: I teach my students to be responsible, starting with day one. It saves my time and is great for them.
[Jul 31, 9:58 AM] geonz: Vandy Reppert -- I remember realizing that taking extra time for that kind of thing ... saved *tons* of time later.
[Jul 31, 9:58 AM] Guest4949: lol
[Jul 31, 9:58 AM] Vandy Reppert: Geonz, I love when my kids can run the classroom.
[Jul 31, 9:58 AM] Guest4949: its not our fault
[Jul 31, 9:59 AM] Guest4949: its the standards
[Jul 31, 9:59 AM] Guest4949: times have changed
[Jul 31, 9:59 AM] Guest4949: yes, we cannot help it
[Jul 31, 9:59 AM] Guest1332: -
[Jul 31, 9:59 AM] Guest1916: I wish administration would share the why behind their thinking so we can maintain our trust with them.
[Jul 31, 10:00 AM] Guest5097: Overwhelmed is easy to get these days.
[Jul 31, 10:00 AM] Guest4949: true
[Jul 31, 10:00 AM] gawilson: it takes time at the start of the year to convince kids the why we are learning is the most important part of the lesson.
[Jul 31, 10:01 AM] Guest4949: what does roi stand for
[Jul 31, 10:01 AM] Lane: return on investment
[Jul 31, 10:01 AM] Guest1984: return on investment
[Jul 31, 10:01 AM] Guest4949: thanks
[Jul 31, 10:01 AM] Tracy Roeser Casey: I teach kinder so I take a lot of time at the beginning of the year because I know it will pay off later!
[Jul 31, 10:02 AM] Vandy Reppert: Our AP always tells us the "WHY". That is how she thinks, so she goes out of her way to share that information.
[Jul 31, 10:02 AM] Guest1916: Thank you all kinder teachers. It pays off in the later years :-)
[Jul 31, 10:02 AM] Guest4949: Abby is that you, guest 1916?
[Jul 31, 10:03 AM] Guest4949: this takes so much time
[Jul 31, 10:03 AM] Guest1916: sorry 4949, not Abby
[Jul 31, 10:03 AM] Guest4949: thanks
[Jul 31, 10:03 AM] HSherman: Wow! 2 minutes to end the day?
[Jul 31, 10:03 AM] Guest4747: I'm unable to hear this
[Jul 31, 10:03 AM] Guest4949: i do that
[Jul 31, 10:03 AM] Guest4949: I do not like to waste time
[Jul 31, 10:03 AM] Guest4949: not a smart idea
[Jul 31, 10:04 AM] Guest3733: I like the idea of 2 minutes at the end of the day. I like to do some brag tags at the end of the day. The students love with some positive shout outs right before we leave.
[Jul 31, 10:04 AM] Michael Elder: Balance that claim with what Covey says, "Efficiency is the enemy of effective."
[Jul 31, 10:05 AM] Guest4949: how
[Jul 31, 10:05 AM] Guest4949: we have demands from administration
[Jul 31, 10:05 AM] Guest4949: of what is to be done
[Jul 31, 10:05 AM] Guest1916: 2-3 minutes for dismissal? Must not have snowpants and boots to deal with
[Jul 31, 10:05 AM] gawilson: i agree shout outs and quick dismissal - I give 5 minutes to pack and stack even during winter when they need to get their gear on before boarding buses.
[Jul 31, 10:05 AM] Guest2931: Just a heads up, many teachers are having trouble getting onto the

website.

[Jul 31, 10:05 AM] Myra C: An author I read this summer talked about finding the joy in each day and sharing it. That could be a quick reflection piece in a classroom. No complaints. Just joys.

[Jul 31, 10:05 AM] Lesley: Hello from North Carolina!!

[Jul 31, 10:06 AM] HSherman: I do 5 minutes also. I don't know if i can do it in 2, especially for the smaller students.

[Jul 31, 10:06 AM] Guest4949: yes the website is down

[Jul 31, 10:06 AM] HSherman: Hi Lesley from NC. I'm from IN.

[Jul 31, 10:06 AM] Guest4949: we cannot view the other webinars

[Jul 31, 10:06 AM] kbutler: I'm finally in now, (was struggling for more than 30 mins) but how do you watch live to follow along with the chat? or does it automatically just start from the beginning.

[Jul 31, 10:06 AM] HSherman: Starts from the beginning

[Jul 31, 10:06 AM] Guest4949: jigsaw

[Jul 31, 10:07 AM] Guest3733: kbutler you can open to full screen and fast forward. I am not exactly sure where everyone is at in the video...

[Jul 31, 10:07 AM] Guest4503: Myra C--would you mind sharing the title of the book you read about finding the joy in teaching?

[Jul 31, 10:08 AM] HSherman: Google Chrome is working for me for the summit. I had a hard time getting in with FF or IE.

[Jul 31, 10:08 AM] qawilson: Teach Like Finland is all about joy!

[Jul 31, 10:09 AM] kbutler: can't fast forward. im on chrome :/ oh well

[Jul 31, 10:09 AM] HSherman: Yes, and when the students are rushed, I think they learn less, and there are more behavioral issues.

[Jul 31, 10:09 AM] Myra C: Let me find the article. I just ran across it again the other day.

[Jul 31, 10:09 AM] Guest4503: Thanks!

[Jul 31, 10:11 AM] Renee Bailey: Good information

[Jul 31, 10:11 AM] Renee Bailey: Google Classroom can help with saving time

[Jul 31, 10:12 AM] Guest9051: This video clip nails it right on the head!

[Jul 31, 10:12 AM] Guest5097: I plan on using Google Classroom a lot more this year

[Jul 31, 10:12 AM] HSherman: YES IT DOES!

[Jul 31, 10:12 AM] Tracy Roeser Casey: I so agree...I hate feeling like I never am done!

[Jul 31, 10:12 AM] Guest1916: Just took a Google Class and plan on using it more this year. Looking forward to it!

[Jul 31, 10:13 AM] Guest3756: Great video! Let's not become great at being busy.

[Jul 31, 10:13 AM] Renee Bailey: Last 5 minutes of each class you can checks for understanding

[Jul 31, 10:13 AM] Guest5097: Reinventing the wheel is sometimes not the best choice

[Jul 31, 10:13 AM] Fawn: Thanks. Video allows reflection.

[Jul 31, 10:14 AM] Myra C: The article called it "delight". I called it joy. It was a blog by Karine Veldhoen. I don't have anything but a copy of the blog. Email me at mcollins@truman.edu and I will send you the blog.

[Jul 31, 10:14 AM] qawilson: I grade very few things now - I collect evidence of mastery and struggle and work from there. Kids do peer assessment on homework and I give answers, they can ask questions if they want review. huge timesaver and improvement in student success.

[Jul 31, 10:16 AM] Renee Bailey: United Streaming can help with videos you can pick just the selection that is on your subject area

[Jul 31, 10:16 AM] Renee Bailey: I have found that kids like to present together than on their own

[Jul 31, 10:16 AM] Renee Bailey: So true if they can do 10 correct why do 50 of them

[Jul 31, 10:17 AM] Guest3274: qawilson: How do the kids peer assess homework?

[Jul 31, 10:17 AM] Myra C: My principal told me that years ago. What an eye-opening discussion!

[Jul 31, 10:18 AM] Vandy Reppert: We have a MakerSpace room. We get to start using it, in September, because their still needs to be routines and procedures put in place.

[Jul 31, 10:18 AM] Renee Bailey: We do Maker Space to and the kids love it

[Jul 31, 10:18 AM] Guest4949: administrators should listen to this so they understand this

[Jul 31, 10:18 AM] Guest4949: I am not sure if they do

[Jul 31, 10:19 AM] Guest4949: since they are not in the classroom

[Jul 31, 10:19 AM] Guest1916: With homework, choose 1 problem for the students to do the next day from last night's work in order to see if students understand that concept without looking at the completed homework

[Jul 31, 10:19 AM] qawilson: Guest3274: I teach them talk moves and kids come in and work with others kids to go over their homework answers and share their approaches. they talk through differences in answers, use resources to try and resolve and have a chance to change their answers. Typically most confusions and errors in thinking have been cleared up by their discussions and we need to do minimal review.

[Jul 31, 10:20 AM] Guest3274: qawilson: Thanks. What age are your kids?

[Jul 31, 10:20 AM] StacyB: What was the name of the video again? I would like to show this.

[Jul 31, 10:21 AM] Tina: John Spencer, breaking up with busy. That one?

[Jul 31, 10:21 AM] Guest1916: Quit Wearing Busy like a badge of Honor by John Spencer

[Jul 31, 10:21 AM] Guest5097: I give my students an opportunity to work together and check each

other on homework. They have time to discuss answers, why they're right or wrong.

[Jul 31, 10:22 AM] qawilson: Guest3274: 6th grade but I have had success with grades 4 and 5 as well. When you teach the kids getting the right answer isn't the end goal but being able to reason and be flexible in thinking, the kids develop more of a growth mindset. There re always one or two hold outs that just want the right answer but majority of kids enjoy assessing their peers work.

[Jul 31, 10:23 AM] Staci Gross Thurwalker: Does anyone know how long each session is?

[Jul 31, 10:23 AM] Guest4949: 1 hr

[Jul 31, 10:23 AM] Guest4949: i wish this was live

[Jul 31, 10:23 AM] Staci Gross Thurwalker: ok thanks! so there's 25 sessions?

[Jul 31, 10:24 AM] qawilson: my new motto 'kill your darlings!'

[Jul 31, 10:24 AM] HSherman: I believe there are 27 presenters.

[Jul 31, 10:24 AM] Tricia Hallman: I think we can choose which sessions we watch after the Key Note Speaker

[Jul 31, 10:24 AM] Staci Gross Thurwalker: And we have until Aug 7th to complete?

[Jul 31, 10:24 AM] HSherman: yes

[Jul 31, 10:24 AM] Tricia Hallman: Yes, the videos are available for replay until then

[Jul 31, 10:25 AM] Tracy Roeser Casey: In kinder I have to teach my kiddos how to problem solve and that takes time too!

[Jul 31, 10:26 AM] Guest2348: How do you teach problem solving?

[Jul 31, 10:27 AM] Tracy Roeser Casey: Model by pair sharing with a student ALOT

[Jul 31, 10:27 AM] Tracy Roeser Casey: teach social skills too

[Jul 31, 10:28 AM] Guest2348: Do you have certain books that you use for social skills?

[Jul 31, 10:28 AM] Guest5097: We use Kagan strategies in our classroom so we can use a lot of these strategies.

[Jul 31, 10:28 AM] Tracy Roeser Casey: We just started using a program call First Steps...I think that is what is called.

[Jul 31, 10:29 AM] Guest2348: I teach preschool

[Jul 31, 10:29 AM] Renee Bailey: I like the use of a piece of paper never thought about it that way plan what you can get done don't over plan

[Jul 31, 10:29 AM] Guest4949: I love those tools

[Jul 31, 10:29 AM] Guest4949: i agree

[Jul 31, 10:29 AM] Guest4949: I sometimes teach to many tech tools

[Jul 31, 10:29 AM] Guest4949: true

[Jul 31, 10:30 AM] qawilson: padlet?

[Jul 31, 10:30 AM] Guest4949: its a win win

[Jul 31, 10:30 AM] Guest4949: i like that

[Jul 31, 10:30 AM] Guest4949: innovate like a turtle

[Jul 31, 10:30 AM] Guest4949: think long hall

[Jul 31, 10:30 AM] Tracy Roeser Casey: It has specific lesson for a skill and then scripted lessons on how to teach. It also incorporates puppets and games to play to help

[Jul 31, 10:30 AM] Marty McCoy: Slow is smooth, and smooth is fast!

[Jul 31, 10:30 AM] Guest4949: yes

[Jul 31, 10:30 AM] Guest4949: we got to go

[Jul 31, 10:31 AM] Guest4949: the next class starts now

[Jul 31, 10:31 AM] Guest4949: i do not think it works

[Jul 31, 10:31 AM] Guest4949: it is not connecting

[Jul 31, 10:31 AM] Renee Bailey: If we leave to go to the next class wonder how we get our certificate

[Jul 31, 10:31 AM] Guest5097: Just got an email from Christina. She said not to refresh your page if you're here. It will kick you out. They are working on the problem.

[Jul 31, 10:32 AM] Guest4949: probably email

[Jul 31, 10:32 AM] Guest2348: Thanks

[Jul 31, 10:32 AM] Guest4949: website is down

[Jul 31, 10:32 AM] Guest4949: there should be a moderator here

[Jul 31, 10:32 AM] Karen Schweitzer: So we should stay on this page and not go to the next session?

[Jul 31, 10:32 AM] Guest4949: i do not know

[Jul 31, 10:32 AM] Renee Bailey: I would since the website is down

[Jul 31, 10:32 AM] Guest4949: i would imagine you would have to click on the next session

[Jul 31, 10:33 AM] Guest4949: maybe stay here

[Jul 31, 10:33 AM] Guest4949: you probably cannot get back in

[Jul 31, 10:33 AM] Guest5097: She said just be sure to stay on the website. If you leave the site you may not be able to get back in.

[Jul 31, 10:33 AM] Guest4949: oh, it continuing

[Jul 31, 10:33 AM] Renee Bailey: Thats what I think you may not be able to get back in

[Jul 31, 10:33 AM] Connie B: I can get into this session but not the next one if I click on it

[Jul 31, 10:33 AM] Connie B: ahhh..the joys of tech

[Jul 31, 10:33 AM] Ivan Remus: How are we going to get our certificate?

[Jul 31, 10:34 AM] Renee Bailey: Probably with the amount of people on this the site may not be able to handle this amount of people

[Jul 31, 10:34 AM] Staci Gross Thurwalker: think they email it to us after we submit answer to the questions at end of each video

[Jul 31, 10:34 AM] Sandra Monica: how are we going to get to the next session without going page to the main page. If we get off this page and go back for the next link, will we be kicked off?

[Jul 31, 10:34 AM] Fawn: Christina generally sends out an email later. There will be a link.

[Jul 31, 10:34 AM] Guest2665: So true, when I use to introduce something I thought would be meaningful and didn't follow through...my students never forgot and kept reminding me about it...I didn't prioritize the project!

[Jul 31, 10:35 AM] Fawn: Ok. Certificate available now.

[Jul 31, 10:35 AM] Renee Bailey: where

[Jul 31, 10:35 AM] Guest8146: I clicked on the next session and opened in a new tab. It opened and it is also a video. So I can finish this one and then start the next.

[Jul 31, 10:35 AM] Christina Shaw Bartell: Excited and grateful to listen to you, Angela!

[Jul 31, 10:35 AM] Michael Elder: Certificate should come up once you complete the whole video of this session

[Jul 31, 10:35 AM] Guest2348: Great session! Thanks

[Jul 31, 10:36 AM] JNewell: Thank you!

[Jul 31, 10:37 AM] Guest5097: I'm still on the keynote video because I came in late due to technical difficulties. :)

[Jul 31, 10:38 AM] Renee Bailey: This has been a great session. Thank you Angela. Gave me a lot to think about when beginning my new year.

[Jul 31, 10:38 AM] Sandra Monica: Nope cant get to new session all I get is "site can't be reached." Where is the link to the certificate?

[Jul 31, 10:38 AM] qawilson: spinning wheel of death for both getting my certificate and getting to the next session.

[Jul 31, 10:40 AM] kkerian: Great session full of super reminders! Thank you!

[Jul 31, 10:41 AM] Staci Gross Thurwalker: go to the beach...do the videos at night!

[Jul 31, 10:42 AM] Guest2665: Every administrator should share this session with their faculty...

[Jul 31, 10:42 AM] Guest5097: I agree. Administrators need to see this.

[Jul 31, 10:44 AM] Guest6315: Thank you. Good session.

[Jul 31, 10:45 AM] cathy: I am having difficulty getting my certificate. Is anyone else in the same boat?

[Jul 31, 10:46 AM] Guest5097: Haven't gotten to that point yet. Still in the video mode. Question 5.

[Jul 31, 10:47 AM] Staci Gross Thurwalker: anyone in this chat received their email with certificate yet?

[Jul 31, 10:49 AM] Connie B: no

[Jul 31, 10:50 AM] Guest2665: My daughter is 30 now and years ago she had a teacher, Ann Bryan who taught using your philosophy...I questioned it way back then but she was right and so ahead of her time...

[Jul 31, 10:50 AM] Guest5806: I have no either. I opened the other video on a new tab simply so I did not miss the link here.

[Jul 31, 10:51 AM] Connie B: mike's video won't play for me....so....:)

[Jul 31, 10:57 AM] Connie B: woohoo...in mike's link now

[Jul 31, 10:58 AM] Guest8146: I received my certificate. I clicked the button and completed the questions. Received email with the certificate very quickly.

[Jul 31, 10:58 AM] Staci Gross Thurwalker: what does the button say?

[Jul 31, 10:58 AM] Connie B: i don't see a button to click

[Jul 31, 11:02 AM] Diane Gunlock: Thank you Angela this was truly something I needed to hear today!

[Jul 31, 11:02 AM] Guest5097: The button comes up after the introduction to the next 2 videos. It says Get Your Certificate. You have to write down your take-aways, hit submit and your certificate is emailed to you.

[Jul 31, 11:02 AM] Staci Gross Thurwalker: where is the button and what does it say?

[Jul 31, 11:03 AM] Guest5806: I am wondering the same thing. I cannot see any button that would send me a certificate.

[Jul 31, 11:03 AM] Guest6011: Thanks for the excellent message and ideas to implement!

[Jul 31, 12:14 PM] Tara Chant Russell: I definitely want to revisit my morning "wait" time. Perhaps giving students a short problem based task that they can solve with a partner while waiting for everyone to arrive and get ready for the day.

[Jul 31, 12:50 PM] Guest7555: Angela, how does one build in buffer time when we are tied to district timelines in Math, Reading, and Writing.

[Jul 31, 12:51 PM] amber: Angela, my dad had a saying in his office: "

[Jul 31, 12:52 PM] amber: Angela, My dad had a saying in his office: If better is possible, then good is not enough. Thank you for permission to just be "good enough."

[Aug 7, 11:17 AM] Guest5314: WOW! Thanks for the ideas and suggestions. My newest goal is to avoid this: "When we're over scheduled, sticking to THE PLAN becomes more important than engaging with THE KIDS." Thanks for the insight.

[Aug 7, 1:06 PM] Guest6062: where do i find the handouts please?

[Aug 7, 2:47 PM] Guest7530: if you click the yellow rectangle above they will be emailed to you.

[Aug 7, 8:29 PM] Guest6047: Its so hard to give up those activities that are favorites and part of the routine but it makes such great sense when streamlining curriculum due to time constraints.

[Aug 7, 9:19 PM] Alexis Arrigo: Wow! Your video was enlightening for sure. I really struggle with being too busy. This was a wake up call for me to really step back and evaluate what I am doing in the classroom and whether it has a purpose that will solve a problem or whether it should just be eliminated.

[Aug 7, 9:20 PM] Alexis Arrigo: I did not see a certificate of completion with this video. Can you please email me one?
