

BRIAN L. FONTENOT

ENTREPRENEUR | PHILANTHROPIST | SPEAKER

YOUR TRANSFORMATION SPECIALIST

Brian L. Fontenot is an accomplished transformation specialist helping small, medium, and Fortune 1000 businesses and young professionals not only find success but exceed their personal and professional goals. Brian has helped businesses and corporations navigate transformations in design, digital, and technology that have led to profitable growth and facilitates the retention, development, and graduation of talented college students who become leaders in their chosen careers.

As the CEO of Elevation Firm and Executive Director of the BLF Foundation, Brian possesses an uncanny ability to connect, inspire, and motivate a variety of audiences. Through creative story telling, humor, and with an incredible display of passion, he shares insights on how the audience can achieve unbelievable corporate and personal growth. Demonstrating a track record of success, Brian, his company, and nonprofit have been recognized for awards which include the **2017 Austin Innovation 50 on Fire Award**, having his company recognized as an Austin Business Journal **Top 25 Ethnic/Minority Owned Company**, and **2017 Honoree for Achievements In Black Austin**. He also demonstrates servant leadership through his participation on city boards, such as the City of Austin's Equity Action Team.

As an engaging keynote presenter, Brian is the ideal empowerment speaker for a variety of audiences including K-12 and college students, young adults, and working professionals, as well as for events including corporate retreats, summits, conferences, workshops and more.

After hearing Brian L. Fontenot speak, your audience will leave the event breaking through their self-limiting barriers and experience a life changing transformation!

Breaking Barriers for Transformational Change!
