

Dear Vendor,

We are pleased to announce that we have partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to decide the timing of payment of your invoices.

Through the C2FO platform, you have an option to take early payment before the due date. You can suggest a discount on one or all of your outstanding invoices with us, and if your offer is accepted, we will initiate early payment on the next immediate payment run. Payments still come from Arvind Fashions using your current payment method.

The Arvind Fashions Early Payment Program is simple and has many advantages:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms
- No maintenance fees and no paperwork to complete

Finally, the best part about the program is that you determine which invoices to discount and how much of a discount to offer, so you're in complete control.

To learn more about the program and activate your account, please visit **arvindfashions.c2fo.com**.

Thank you for your continued partnership with Arvind Fashions.
