

Dear Vendor,

Bose is committed to providing our vendors with more benefits in 2019.

DATE
May 2019

As part of that commitment, we are launching the Bose Early Payment Program administered by C2FO. The program enables you to receive early invoice payments by offering a small discount.

SUBJECT
Early Payment Program

Our goal is to provide your company with a simple, low-cost way to improve cash flow.

The technology and support for this program are provided by our partner C2FO. The program is easy to use. Payments will still come from Bose via your current remittance process.

We encourage you to activate your account by visiting bose.c2fo.com. If you have questions, the C2FO support team is ready to help you.

Thank you for your continued partnership with Bose.
