

We at Coromandel are pleased to announce partnership with C2FO, “Global leader in Working Capital Solutions”. C2FO provides a secured online platform that enables you to advance payment for your outstanding invoices with Coromandel.

Through the C2FO platform, you can suggest a discount on one or all of your outstanding invoices with Coromandel, and if the offer as given by you is accepted, Coromandel will initiate early payment on the next immediate payment run. Payments will continue to come from Coromandel using your current payment method.

Coromandel Early Payment Program is simple and has advantages such as:

- No Paperwork from Partner’s side
- Access to cash flow as and when needed
- Lower cost than traditional sources of funding
- No changes to existing payment terms in case the invoices are not discounted
- No maintenance fees

This program enables you to be in full control of your cashflow from Coromandel, you can choose to discount all or some invoices at a rate you decide.
