Dear Valued Supplier,

Crompton appreciates the working relationships we have with our preferred suppliers and we are always looking for ways to strengthen our important business partnerships. For this reason, we are pleased to offer you the Crompton C2FO programme, and hope you will give it full consideration.

The Crompton C2FO programme has been available since November 2017. We have partnered with C2FO to facilitate accelerated payment of approved supplier invoices via their secure C2FO marketplace.

With C2FO, you can Name your rate™ for early payment on your approved invoices. For a small discount, you can receive early payment directly from Crompton to improve your cash flow at rates that are often less than the cost of borrowing short-term working capital.

The best part about C2FO is that you determine your early payment offer, so you're in control. When your offer is accepted, your early payment will be processed on our next pay date.

C2FO is rapidly expanding as suppliers realise its money-saving advantages and simplicity:

- **LOW COST:** Creates a new working capital option at a rate you choose
- **FLEXIBLE:** Eliminates paperwork and contracts with on-demand access
- **USEFUL:** Lowers days sales outstanding (DSO)
- **SECURE:** Provides secure access to view your approved invoices
- **HELPFUL:** Gives you world-class support
- **SIMPLE:** Offers easy account activation and your payment process doesn't change

While we believe the Crompton C2FO programme is a great, supplier-friendly option for improving your working capital efficiency, the final decision to use C2FO is yours.

You may activate your C2FO account now or at your convenience. If you have questions, our support team is ready to help you at crompton@c2fo.com or by calling +1 800.266.7760 (India toll free) or +91 22.6780.1516.

Thank you for your continued partnership with Crompton.
