

Dear Vendor,

We are pleased to announce that we have partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to receive early payment on your Garrett Motion invoices.

Through the C2FO platform, you can suggest a discount on one or all your outstanding invoices with us. If your offer is accepted, early payment will be initiated on the next immediate payment run. You will receive early payment on Garrett Motion invoices using your current payment method.

The Garrett Motion Early Payment Programme is simple and has many advantages:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms
- No maintenance fees and no paperwork to complete.

You determine which invoices to discount and how much of a discount to offer, so you're in complete control.

Please activate your account by visiting garrettmotion.c2fo.com. Once your account has been activated, a C2FO representative will follow up with you to answer questions and help you get started with the platform.

Thank you for your continued partnership with Garrett Motion.
