

Dear Valued Supplier,

GLOBALFOUNDRIES appreciates the working partnerships we have with our suppliers and we are always looking for ways to strengthen our relationships. For this reason, we are pleased to offer you the GLOBALFOUNDRIES C2FO program, which is a simple and low-cost way to improve cash flow.

Through the C2FO platform, you decide what discount to offer on one or all of your outstanding invoices, and if your offer is accepted, the payment date will be updated and GLOBALFOUNDRIES will pay you directly via your current remittance process.

While we believe the GLOBALFOUNDRIES C2FO program is a great option to improve your working capital, the final decision to use C2FO is yours. There is no obligation to participate in this program and no cost to activate your C2FO account.

Your C2FO account is ready to be activated now. Please visit globalfoundries.c2fo.com or call 855-713-C2FO (2236) to set up the account or discuss questions with the support team.

Please share this letter with your CFO, treasurer, or finance leadership for a full evaluation of this opportunity.

Thank you for your continued partnership with GLOBALFOUNDRIES.

Sincerely,

A handwritten signature in blue ink that reads 'Glenn Colton'.
