Dear Vendor,

ITT Inc., along with its subsidiaries, is committed to strengthening our relationship with you in 2019.

As part of that commitment, we are launching an early payment program enabling you to receive early invoice payments by offering a small discount.

Participating in this program provides you with a simple, low-cost way to improve cash flow.

C2FO, a global leader in working capital solutions, will provide the technology and support for this program. Payments will still come directly from ITT via your current remittance process and with no changes to existing terms.

Please [activate your account here](#). If you have questions, the C2FO support team is ready to help you.

Thank you for your continued partnership with ITT.
