

Dear Vendor,

We are pleased to announce that we have partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to have your invoices paid early by LM Wind Power.

Through the C2FO platform, you can suggest a discount on one or all of your outstanding invoices with us, and if your offer is accepted, we will initiate early payment on the next immediate payment run scheduled every Tuesday. Payments still come from LM Wind Power using your current payment method.

The LM Wind Power Early Payment Program is simple and has many advantages:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms
- No maintenance fees and no paperwork to complete

You can also submit your queries to [lmwind@c2fo.com](mailto:lmwind@c2fo.com) or call +91 7035 7035 93.

Finally, the best part about the program is that you determine which invoices to discount and how much of a discount to offer, so you're in complete control.

To learn more about the program and activate your account, please visit [lmwind.c2fo.com](http://lmwind.c2fo.com).

Thank you for your continued partnership with LM Wind Power.
