Dear Vendor,

We are committed to providing you with more benefits in 2019.

As part of that commitment, we are launching the METRO Cash and Carry Early Payment Program to enable you to receive early invoice payments by offering a small discount.

Our goal is to provide your company with a simple, low-cost way to improve cash flow.

The technology and support for this program are provided by our partner C2FO. Payments will still come directly from METRO Cash and Carry via your current remittance process and with no changes to existing terms.

You can activate your account by visiting metrocashandcarry.c2fo.com. If you have questions, the C2FO support team is ready to help you.

Thank you for your continued partnership with METRO Cash and Carry.
