

Dear Vendor Partner,

Naturelle LLC is pleased to announce that we are partnered with Priority Vendor, which is now a C2FO company. C2FO is a global leader in working capital solutions, providing a secure online platform similar to Priority Vendor's platform that enables you to have your invoices paid early by Naturelle LLC.

Through the C2FO platform, you can suggest a discount on one or all your outstanding invoices with us. If your offer is accepted, we will initiate early payment on the next immediate payment run—usually within 48 hours. Payments still come from Naturelle LLC using your current payment method.

The Naturelle LLC Early Payment Program through C2FO is simple and has many advantages, including:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms
- No maintenance fees and no paperwork to complete

Finally, the best part about the program is that you determine which invoices to discount and how much of a discount to offer, so you're in complete control.

To learn more about the program and activate your account, please visit [naturelle.c2fo.com](https://naturelle.c2fo.com).

Thank you for your continued partnership with Naturelle LLC.
