Dear Valued Supplier,

Newcrest appreciates the working relationship we have with our preferred suppliers and we are always looking for ways to strengthen those important business partnerships. For this reason, we are pleased to offer you the Newcrest C2FO program, and hope you will give it full consideration.

The Newcrest C2FO program has been available since May 2017. We have partnered with C2FO to facilitate accelerated payment of approved supplier invoices via their secure C2FO marketplace.

With C2FO, you can Name your rate™ for early payment on your approved invoices. For a small discount, you can receive early payment directly from Newcrest to improve your cash flow and lower the cost of working capital.

The best part about C2FO is that you determine your early payment offer, so you're in control. When your offer is accepted, Newcrest will initiate early payment on the agreed early-payment date.

C2FO is rapidly expanding as suppliers realise its money-saving advantages and simplicity:

- **EASY:** Unlike bank financing solutions, there are no credit checks or financials required
- **LOW COST:** Creates a new working capital option at a rate you choose
- **FLEXIBLE:** Eliminates paperwork and contracts with on-demand access
- **USEFUL:** Lowers days sales outstanding (DSO)
- **SECURE:** Provides secure access to view your approved invoices
- **HELPFUL:** Gives you world-class support Monday - Friday
- **SIMPLE:** Offers easy access account activation and your payment process doesn't change

While we believe the Newcrest C2FO program is a great, supplier-friendly option for improving your working capital efficiency, the final decision to use C2FO is yours. If you decide not to establish a C2FO account, your Newcrest invoices will continue to be paid on the original pay date.

You may activate your C2FO account now or at your convenience. If you have questions, our support team is ready to help you at newcrest@c2fo.com, by calling (Toll Free in Australia) +61 1800.941.058 or (Outside Australia) +1 913.955.2595, or by visiting www.c2fo.com/newcrest.

Thank you for your continued partnership with Newcrest.
