Dear Vendor/Supplier,

As part of our continued efforts to maintain a strong, productive bond between us and our suppliers, we'll be providing additional benefits in 2018.

We are pleased to announce the launch of the **NFI Early Payment Program** to enable you to receive early invoice payments by offering a small discount.

Our goal is to provide your company with a simple, low-cost way to improve cash flow.

The technology and support for this program are provided by our partner C2FO. Payments will still come directly from NFI via your current remittance process and with no changes to existing terms.

You can activate your account by visiting [nfi.c2fo.com](http://nfi.c2fo.com). If you have questions, the C2FO support team is ready to help you.

Thank you for your continued partnership with NFI.
