

Liquidity On-Demand is now in Your Hands!

Dear Valued Partner,

Nuvoco has always valued its working relationships with its business partners, and sought ways to strengthen the bond through empowerment. As part of this endeavour, we are pleased to announce that we have tied up with C2FO, a global leader in working capital solutions, to provide a secure online platform to provide you liquidity on-demand and ease the process of paying your invoices. We request our partners to provide full support in this new initiative by actively engaging on the platform.

The **NU Vista Ltd. Early Payment Programme** is quite simple and has many advantages; some of which we have listed below:

1. **Anytime Liquidity:** Access to cash flow whenever you need it.
2. **Savings:** Lower cost than traditional sources of funding.
3. **Payment Terms:** No changes to existing payment terms.
4. **No Add-on Costs:** No maintenance fees and no paperwork to complete.
5. **Complete Control:** You decide which invoices to discount and the discount amount.
6. **Useful:** Lowers your days sales outstanding (DSO).
7. **Helpful:** Platform is available for 24*7.

Thank you for your continued faith, commitment and partnership.
